**ORDER NO. 2
GRANTING EXTENSION**

This Order addresses the April 29, 2021 joint request for extension filed by Chevron Phillips Chemical Company, LP (CPChem) and Commission Staff. The parties request the extension of the deadlines to file a status report to allow for a ruling on CPChem's emergency petition in Docket No. 51812.¹

The administrative law judge grants the joint request for extension as follows. CPChem must file a status report by the earlier of June 14, 2021 (which is 45 days from the date of this order) or within 15 days after the Commission makes a decision on CPChem's emergency petition in Docket No. 51812. By the same deadline, ERCOT, Commission Staff, and any other party may also file any briefing or request any relief they deem appropriate. Consistent with Order No. 1, this case otherwise remains abated.

Signed at Austin, Texas the 30th day of April 2021.
